## Eucharistic Renewal Track (ER)

*But only say the word and my soul shall be healed...*

Called to Him. Kept in Him. God's generosity and His Fatherly love is most fully manifest in His Son's Incarnation in ancient Israel and His continuing presence in the Blessed Sacrament upon every altar. Our lives flow from the Eucharist and lead back to the Eucharist, so that we may be filled with God's life, sent into the world to proclaim the Good News, and be strengthened and invigorated for a life lived for others.

This pragmatic and deeply inspiring set of workshops addresses three critical aspects of the Eucharistic Renewal so needed today:

- How to *see* God's gift of the Eucharist, rooted in knowing Jesus personally and loving the liturgy.
- How to be *formed* for a Eucharistic life of intimate devotion and radical trust.
- How to *give* the saving truths of the Eucharist to others effectively in the home, the classroom, and in any relationship.

It is our privilege to pass on this magnificent inheritance of faith to the next generation, echoing the action of faithful disciples from the centuries before us. This track is designed to help you, whether you are a priest, parent, parish catechetical leader, catechist, teacher, youth minister, or parishioner, to better understand the Eucharist and its matchless importance in God's plan for humanity.

***This track was made possible through a generous grant by William H. Sadlier, Inc.***

*Forming those who form others.*

*Jesus said to them,  
'I am the bread of life;  
whoever comes to me will  
never hunger, and whoever  
believes in me will never thirst.'*

JOHN 6:35
