First Proclamation and Evangelization Track (FPE)

This track is intended for any individual, clergy or lay, active in ministry or not, who desires to develop the ability to proclaim the Gospel to others. Workshops in this three-part series address the critical content of the basic Gospel message, effective ways to unfold its saving content, the nature of conversion and faith development, the natural and necessary connection between evangelization and a deeper exploration of the faith, best practices in the field in a wide range of circumstances, skills development, the place of apologetics, avenues to evangelize families and specific age groups, and the need to be well-informed in the pastoral and spiritual aspects of outreach.

Forming those who form others.

Then he said to his disciples, 'The harvest is plentiful but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field.'

MATTHEW 9:37-38
