Youth Ministry Track (YM)

This track, designed in cooperation with Life Teen, offers an efficient and in-depth two-part series of workshops to provide formation for youth ministers. It includes presentations that are practical, academic, theological, and spiritual, all while stressing that the most important factor in successfully evangelizing and discipling adolescents is the human one: the authentic witness and genuine love of those willing to invest in the spiritual growth of younger souls. This track also helps youth ministers support families, who primarily bear the formative responsibility for children.

Forming those who form others.

Don't let anyone look down on you because you are young, but set an example for the believers in speech, in conduct, in love, in faith and in purity.
